OASIS Accepts Orders

Free 30 day trials available – ask us for a quote for your next print order or invite us to tender

Making the most of multiple models

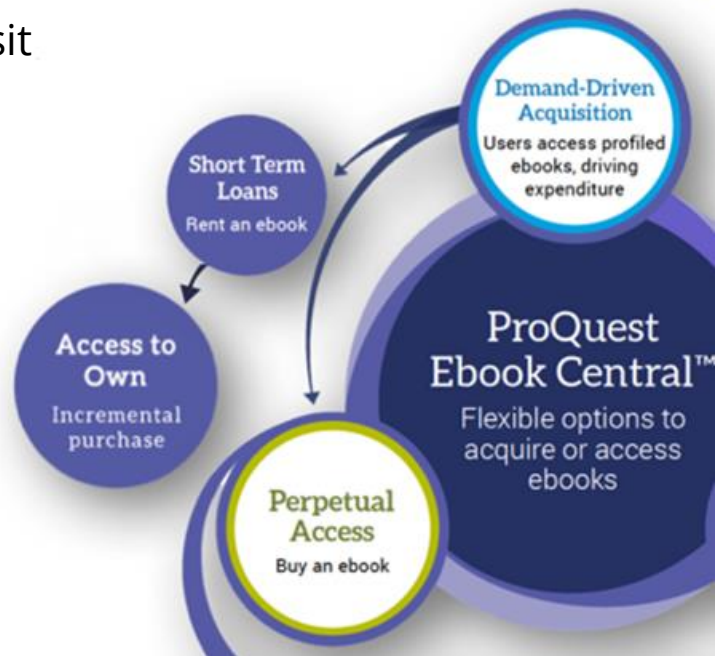

- We offer a complete suite of purchase and access models to give you the best possible choice
- We recommend combining a number of these for optimized ebook acquisition
- **Subscription + DDA + Perpetual access = Front and backlist access at the best price according to your patrons' needs**

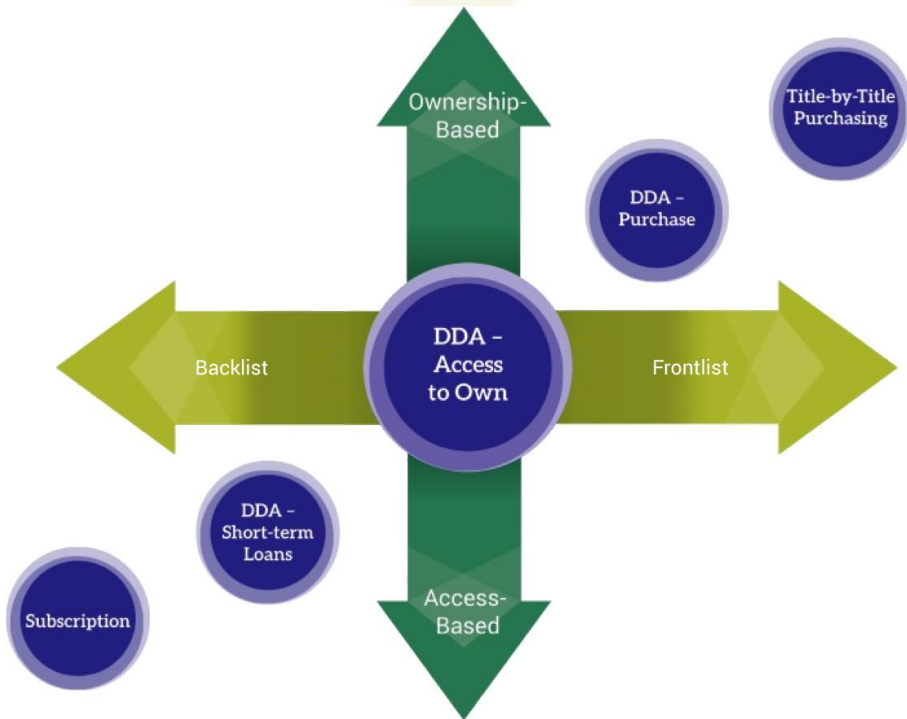

ProQuest

'Traditional' DDA

- Over 700,000 titles available
- Any size of profile – start small then build up
- Pay as you go or pay in advance – no minimum deposit
- Full support from our expert team with profiling
- Profiling by subject, publication date, price, publisher
- Optional short term loans and autopurchase after **X** number of loans
- Price and % of list price controls on loans
- **Exclusive to ProQuest** : Library can mediate loans and purchases if budget control is a factor

Access to Own – the new ‘flavour’ of DDA

Over 345,000 titles available

300+ publishers

Always 7-day loans (most popular period)

Run alongside traditional DDA

Access to own – how it works - Pricing

Frontlist (example):

User 1 accesses book (7 day duration) and triggers charge. Library is charged 55% towards purchase.

User 2 accesses book (7 day duration) and triggers charge. Library is charged 55% towards purchase.

Library now owns this title in single user– paying **110% total for purchase***

Backlist (example):

User 1 accesses book (7 day duration) and triggers charge. Library is charged 35% toward purchase.

User 2 accesses book (7 day duration) and triggers charge. Library is charged 35% toward purchase.

User 3 accesses book (7 day duration) and triggers charge. Library is charged 35% toward purchase.

Library now owns this title in single user– paying **105% total for purchase***

- **Pricing:** Upcharge (on list price) applies to purchase a different level of access such as 3-User, Non-Linear, or Unlimited Access.
- **Frontlist** is 12 months in most cases with a few exceptions where it is 24 months.

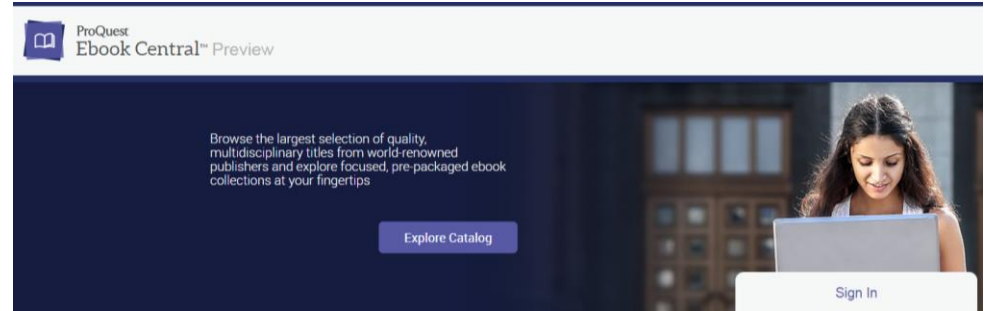

Subscriptions

- ProQuest offers a range of subscriptions to fill a wide variety of needs

Download title lists at:

<http://www.public.ebib.com/choice/Login.aspx?r=needlogin>

- Academic Complete Subscription
- 10 sub-collections (Law, Business, Health&Medicine, Education, History, Literature, Science&Tech, The Arts, Social Science, Religion&Philo)
- University Press Subscription
- Reference and Reference Research subscription
- Deutsche Sammlung

The power of perpetual

- **We have 925,000+ titles**
- **1,300+ imprints from 650+ publishers**
- **100,000 titles added/year on average**

- No minimum purchase – pick and choose
- No fees
- Pricing and DRM levels clearly displayed for each title
- 5 minute free browse also applies even when not owned by the library
- Option to auto-upgrade, or manually

Extended Access prevents turn-aways

1-USER

1 person can access the ebook at a time.

3-USER

Up to 3 people can access the ebook at the same time.

NON-LINEAR

Multiple users can access the ebook at the same time. There are a set number of lending days per title per year, typically up to 325 days. Lending days reset annually.

UNLIMITED ACCESS

An unlimited number of users can access the book at the same time.
